## EXPERIENCE

---

**AVP of Indirect Lending** @ Financial One Credit Union

*August 2020 - Current*

**Electronic Services Specialist** @ Anoka Hennepin Credit Union

*September 2018 – August 2020*

- Performed lead duties for design, implementation, and training of staff on a new intranet system.
- Led a team that designed and enhanced an internal loan application system focusing on the user experience for both the employee and client.
- Beyond ESS duties, managed a small team as a Branch Manager providing loans for personal use, small businesses, and mortgages.

**Marketing Manager** @ Neighborhood National Bank

*September 2016 – August 2018*

- Managed all marketing functions using both traditional and non-traditional marketing tactics
- Designed the online banking service and website utilizing programming expertise and focusing on user experience
- Eliminated certain marketing tools, including a 3<sup>rd</sup> party social media presence, that were ineffective and replaced them with more effective tools saving the company \$20k+ per year

**Lender** @ Central Minnesota Credit Union

*July 2012 – September 2016*

- Underwrote and processed loan applications for members for personal loans, small business loans and mortgages.
- Worked with the marketing department to develop a plan for integration into the current market, working with local schools and special interest groups.
- Designed clothing and marketing materials to help support brand in current market.
